Re: Correspondence with the United States Department of Veterans' Affairs

This report is submitted pursuant to Section 60 of the Quincy Veterans' Home Rehabilitation and Rebuilding Act (Act), which requires the Capital Development Board (CDB) to "provide the General Assembly with unredacted copies of all correspondence and communications with the United States Department of Veterans Affairs related to securing funding for the renovation, restoration, rehabilitation, or rebuilding of the Quincy Veterans' Home" (330 ILCS 21/60).

CDB has been working closely with the Illinois Department of Veterans' Affairs (IDVA) to assist IDVA obtain federal reimbursement grant funding from the United States Department of Veterans Affairs (USDVA) for design and construction work at IDVA facilities completed under CDB contracts.

This report relates to CDB project 040-010-115, which rehabilitates the campus at the Quincy Veterans' Home. The project is scheduled to receive federal reimbursement grant funds from the USDVA. Certain project documentation is required by the USDVA in order for the project to qualify for a federal reimbursement grant. The communication subject to this is report is an email from CDB staff to staff from the USDVA, IDVA, and the project design firm containing notice that the required project documentation was submitted to the USDVA, and can be re-submitted to the USDVA

in other formats upon request. In addition, the email references a meeting which was previously reported on March 15, 2022. A copy of the email is attached.

Should you need any additional information regarding this report, do not hesitate to contact me.

Sincerely,
